Portrait Creation Fees

The Creation Fee is designed to cover the artist's time and creative talents that are necessary to create your portrait. During your session we produce priceless images that become heirlooms for yourself and for generations to come.

Studio Sessions

The Studio session is designed to create a series of beautiful close up portraits that show the relationships between a family, a couple or the individual person's unique style. Studio session includes up to 3 clothing changes and lasts apx. 1 hour.

Weekdays 9-4pm..... \$100.00 Weekday Evenings 5-8pm....\$150
Saturdays (when available)..... \$200.00

Outdoor or Extended Family Sessions

The Outdoor Session is a perfect setting for a more casual environmental portrait. This might be in your home or backyard, a local park, by the river or any place that has special memories for your family. Includes up to 3 clothing changes and lasts approximately 2 hours. Within 30 miles of the Studio

Viewing your images

We will schedule a viewing appointment for you to view you images (about 5 days after your session) on a big screen TV at our studio. We will assist you with your decisions and show you the various sizes, retouching and finishing options. Whoever comes must have the authority to make all ordering decisions without having to get approval from someone who is not present. If a viewing appointment is missed or another one is needed, a presentation fee of \$50 will be charged.
